

Chronicle Online

The Chronicle's website is the internet's most comprehensive guide to everything Barnsley.

Its bright, uncluttered design makes it easy to navigate, ensuring even beginners are never more than a couple of clicks away from finding exactly what they want.

From a quick digest of the biggest breaking news stories to the local weather forecast; from downloading a podcast of the latest action at Oakwell to a full A-Z directory of local tradespeople, barnsley-chronicle.co.uk has all the answers.

For readers, the site has established itself as a top bookmark both for those living locally who simply need to know something - and fast - and for ex-pat Tykes who want to catch up with what's happening back in Barnsley.

For advertisers, it presents a unique, reliable and cost-effective way of reaching Barnsley people - both home and away.
