

Discover Barnsley

Barnsley Metropolitan Borough Council (Culture and Creative Industries) in collaboration with the Barnsley Chronicle are producing a 'Visitors Guide' for Barnsley twice each year.

15,000 copies of the glossy, 16 page, stitched and trimmed booklet will be distributed locally, regionally and nationally.

Some of the local collection points are as follows:

- Experience Barnsley (Museum)
- Cooper Gallery
- Cannon Hall
- Elsecar Heritage Centre
- Worsbrough Mill
- National Tourism Centres

Visitor numbers to these attractions equate to around 500,000 each year.

The guide will be available at all these attractions as well as National Tourism Centres across the region, locally and nationally.

It will also be available to view on line on the Barnsley Chronicle website which has around 35,000 unique users, as well as the Council website.
