Weather sponsored by

Friday: After a chilly start, mainly dry with hazy sunshine. A gentle to moderate wind. Max temp 12-14C (54-57F). **Saturday:** After a cloudy start, with the odd spot of drizzle possible, it will brighten up with sunshine becoming more widespread for the afternoon. Rather breezy. Max temp 14-16C (57-61F). **Sunday:** Dry and bright day with spells of sunshine and patchy cloud. It will remain rather breezy with a gentle to moderate wind. Max temp 15-17C (59-63F). **Monday:** Settled and largely dry with spells of sunshine and patchy cloud. It will feel rather chilly in the persisting wind. Max temp 13-15C (55-59F). **Tuesday:** Blustery day with brisk winds. After a bright morning with spells of sunshine, it will become increasingly cloudy with a risk of drizzle later. Max temp 12-14C (54-57F)
